NAEBA 2018 Marketplace Sale

General Sale Information and Terms:

General Sale Information

- **For-Profit Semen Consignments:** \$100 consignment fee per lot. The \$100 fee will go towards NAEBA's 8% commission. All sellers agree that an 8% commission on the final sale price will be deducted from the final payment they receive from NAEBA.
- **Live Animal Consignments:** There is \$250 *per live animal* consignment fee with no commission. For example, the consignment fee for one trophy bull is \$250. A consignment fee for a package of three trophy bulls sold in one lot will be \$750.
- Buyers will pay NAEBA in full at the close of the auction, unless the seller states other terms. Payments will be accepted by cash, check or credit card.
- Sellers will receive full payment within 15 business days after the sale date.
- Any terms between seller and buyer for payment schedule is strictly between those two parties and NAEBA makes no guarantees of payment if full payment is not required at sale time.
- All sales are final. All elk are sold "AS IS". There is no guarantee of any kind as to soundness, condition or quality of any elk sold in this sale, except in the case where the owner makes a specific guarantee. In such case the guarantee is strictly by the owner and not by sales management.
- All buyers must register for the sale and agree to the terms of sale. Upon which time, they will receive a bidding number.
- Sale management, auctioneers, NAEBA and NAEBA representatives act as agents for the sellers, but assume no liability for either buyer or seller. Any representations made by the sales management are on behalf of the seller.
- Each lot of animal(s) will be sold to the highest bidder. The auctioneer reserves the right to accept or reject any bid and in all cases of dispute the auctioneer's decision is final.
- Every effort has been made to ensure correctness of the catalogue, however, owners, auctioneers and agents will assume no responsibility for errors or omissions and assume no liability as to any statements, either written or verbal, regarding any elk sold other than the information was given "in good faith".
- Any known correction will be made at sale time and will take precedence over the catalogue. Buyers are encouraged to contact consignors directly for full details of animals.
- The Seller agrees to board animals over 1 year of age for 30 days after the sale and calves for 90 days after the sale. After the above time length, boarding is negotiable between buyer and seller and NAEBA is not responsible for any additional boarding agreements between buyer and seller.
- All arrangements for the physical transfer of the animal(s), their care, responsibility of and liability for them is to be arranged privately between the buyer and the seller. We recommend the buyer purchase insurance. All transportation costs are the responsibility of the buyer, unless other arrangements are made between the buyer and the seller.
- All NAEBA registration transfers are the responsibility of the seller and are to be completed within 30 days after the sale.
- All buyers agree to be bound by the above terms as well as any other conditions announced by the auctioneer. Each buyer agrees to be responsible for all charges to them. If any check given to NAEBA is not honored for any reason, it is understood that such amounts will remain outstanding and no transfer of ownership will occur until full acceptable payment is made. The buyer issuing the check or credit card may face civil and/or criminal liability.

This is the first offering of a Super Boy female! This is documented cow power production! The maternal great grandmother of this heifer is Golden Girl, who is the matriarch of the Golden Dawn Cow Family! Golden Girl is the mother of Y9L, a great bull responsible for Stud. Golden Girl's daughters and grand daughters have produced Y121M Awesome, Frisia Dynasty, Frisia Dan, Frisia Rocket and Zacharia! Combine that with the addition of Super Boy and Interegety, it's a can't miss! The animal is located in northern Missouri and will be naturally bred this fall to Daniel (413"@2), who is an LL genotype sire! That means any calf should be at least an LM genotype! Pick up in early December. This lot has it all! Sire power, cow power and bred to an LL sire!
