"As good as it gets"

Elk Ranch LLC

up and coming breeder – HHT Ramses

ASEU 1440 Luxor son
349 1/8 @ 2 unofficial

We raise premium elk with the kind of quality serious buyers notice. Our herd is built around strong, impressive typical bulls, with around 5% non-typical genetics to help enhance value and boost price potential. The result is elk with eye appeal, strength and the kind of genetics that stand out.

HHT Myles

2025 6-year First place Typical
438 1/8 (4.5% NT). ML genotype

HHT Shotgun

490" unofficial at 6 years
