Reg #: A42858

Lot M 2 Straws: Drago 601D

Consignor: Mayes Elk Farm

Bill & Susan Mayes Lentner, MO 660-676-7685

Sire: Darth Vader Dam: P-004X Miss Candy (Candy Man)

Drago 601D - our newest "LL" genotype herd sire. With a great combination of eastern genetics this bull is built to be big. The legendary herd sires in his pedigree such as King Kong, Cracker Jack, Legend, Impressive, and Darth Vader all speak for themselves. For our program we are all about cow production and we are super excited about the big time cow power that Drago brings to the table. The cows that produced those industry changing bulls are the foundation that he is built on. Drago had an on his head (unofficial) field score of 400" and change non-typical as 3 year old. We are looking for big things from him going forward. Semen collected by Dr. Martin Wenkoff and available in the U.S. for the 2020 breeding season.
