The North American Elk Breeders Association will be hosting its 26th annual conference July 28-30, 2016 at Ramada Plaza Hotel Convention Center & CoCo Key Water Resort in Omaha, NE.

We are once again looking for donations to this year's event. No donation is too small and every donation is vital to our survival. We have many challenges ahead for our industry and need both funds and member participation to help make NAEBA and the elk industry strong. NAEBA is leading the way for the elk industry, taking part in the rule-making processes and financially supporting the highly successful PR campaign of the ACA. NAEBA has been able to come to the aid of our members, as well as other associations, in their times of need because of your generosity in the past. It is very important that we maintain this.

If you are unsure of what to donate this year, think about a cash donation to sponsor one of the numerous auction items NAEBA has purchased for this event.

Thank you for any donation you can make!
