

## 2019 NAEBA Convention & International Antler Competition *Sponsorship Opportunities*

The NAEBA Board of Directors and Convention Planning Committee are trying a new format for this summer's flagship event. For years, NAEBA has solicited a la carte sponsorships for the annual conventional and international antler competition. Traditionally, this includes:

- Four \$400 Break Sponsors
- Twenty \$75 Antler Class Sponsors
- Two Photo and Meat Contest Sponsors
- Two to three Hospitality Room Sponsors
- Two Elk Meat Dinner Sponsors

Additionally, cash is solicited from members to purchase auction items. The concept of general sponsors for the event was discussed, which would generate cash that staff can use where needed between all of the different event expenses, unlike the ala carte approach. Recently, hospitality room sponsors and antler competition sponsors have been increasingly difficult to find. The committee reviewed a concept for general levels with different benefits, which makes the process easier for the staff while giving better exposure to the sponsors.

Effective this spring, NAEBA will offer the following sponsorships levels for the 2019 Convention & International Antler Competition. Each level includes different benefits.

### **Diamond Sponsorship**

**\$3,500**

Notation at event and publication, listed on E-blasts for half of the year, complimentary monarch booth and 4 event passes.

### **Platinum Sponsorship**

**\$2,500**

Notation at event and publication, listed on E-blasts for half of the year, complimentary monarch booth and 2 event passes.

### **Gold Sponsorship**

**\$1,000**

Notation at event and publication, listed on E-blasts for half of the year and choice of complimentary monarch booth or 1 event pass.

### **Silver Sponsorship**

**\$500**

Notation at event and publication, listed on E-blasts for half of the year.

### **Bronze Sponsorship**

**\$250**
