

2021 Convention & International Antler Competition

Sponsorship Opportunities Now Available

The NAEBA Board of Directors and Convention Planning Committee are continuing the new sponsorship format which began two years ago for NAEBA's upcoming 2021 Convention & International Antler Competition in Mankato, MN on July 29-31. The following sponsorship levels are now available for the 2021 Convention & International Antler Competition with donor benefits as noted:

Diamond Sponsorship **\$3,500**
